

SCE&G | Columbia, SC • 29218

Service Address: 2027 FRAMPTON AVE  
CHARLESTON SC 29412-2013

SCE&G will conduct power line right-of-way maintenance in your neighborhood to maintain safe and reliable power to your home. Over the next few weeks, Lewis Tree Service, Inc. will do the tree-trimming and brush-cutting work. SCE&G will clean up tree limbs and brush in yards following routine tree trimming maintenance. The clean up work may be scheduled after the initial trimming is complete. In some areas, another contractor will need to follow up with a herbicide treatment. PLEASE NOTE: Herbicide is generally not applied in managed or lawn areas. If you are renting this property, please forward this notification to the property owner.
